

A large white three-masted sailing ship is docked in a harbor at dusk. The ship's masts and rigging are silhouetted against a dark blue sky with scattered clouds. The water in the harbor is calm, reflecting the ship and the surrounding buildings. In the background, a modern multi-story building with a distinctive red-tiled roof and a bridge are visible. The overall scene is a blend of traditional maritime architecture and modern urban development.

Welcome Reception

# Remarks

- Difficult to not create deficit, given
  - CADE fees are comparatively low
  - Lunches + excursion, conf. dinner included for everyone
  - Lots of free registrations
- Conference deadlines vs. booking deadlines (late adjustments)
- CADE conference notes were helpful, but need updating
- Clarify early how awards are handled (transfer money, waive fees, ...)
- Few people buy printed proceedings
- Great to host CADE
